

Catherine J. Brown, RN, BSN, MSN, ONC, CLNC graduated with a BSN in Nursing from Saint Anselm College in 1991 and an MSN in Nursing (Nursing Administration & Gerontology) in 1996 from University of Massachusetts, Boston. She received her Certified Legal Nurse Consulting (CLNC) Certification from Medical Legal Institute (Houston, TX) in September 2007 and her Orthopaedic (ONC) a Certification from the Orthopaedic Nurses Certification Board in 2007. She has worked at Tufts New England Medical Center, Hebrew Rehabilitation Center for Aged, South Shore Hospital, Boston Medical Center, and is the President and Owner of Brown & Associates Legal Nurse Consulting, LLC. Catherine has been a Nurse for greater than nineteen years. She has vast experience in many specialties within acute care, rehabilitation, trauma, and long-term care. In addition, Catherine has greater than thirteen years of Nursing management experience. Therefore, she understands the ideal (policies, procedures, regulations & best practices) vs. the real (staffing, competency, etc.) issues that may impact care. Catherine does both Plaintiff and Defense work for small and larger firms in Massachusetts, Rhode Island, and Vermont. She is a true leader, as well as a strong patient and family advocate.
